

Carl Segan – For Congress 27th District of Texas (TX-27)

“Our Freedom, Our Voice, Our 27th District”

Who I Am

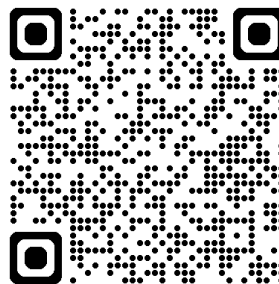

I am not a career politician; I am your neighbor. I served 24 years in the U.S. Army, deployed to Iraq and Afghanistan, and retired in 2020. I know the struggles of rural families, veterans, and working Texans. I will always work for TX-27 like it is my own family, because it is now.

Why I’m Running

TX-27 is the powerhouse of Texas — from our coast and ports to our oil fields, farms, ranches, and families. Washington may have forgotten us, but I haven’t. We deserve a strong voice in DC that puts *our district first*.

My Focus

I’m here to support the families and communities of TX-27. My focus is simple: push to bring money back to our district so we can fix our roads, keep schools strong, make communities safe, keep hospitals open, and work toward placing a VA clinic in every county.

Get Involved

The Texas Primary is **March 3, 2026**. If you support me, I can and will support you. Together, we can bring back Texas’ Powerhouse District and make TX-27 stronger than ever.

Be sure to sign up for weekly updates. I’ll share where I’m visiting and a short message straight from me each week.
